2. Authorisation

I understand that I will appear and/or be heard in a Video created for the IRE Video Contest, organised by the IRE to promote the audit profession.

I understand that, before submission to the IRE, the Team independently records, produces, edits, stores and otherwise uses the Video. The Team is solely responsible for these actions, for choosing the persons recorded and for complying with applicable privacy and data-protection rules. The IRE does not direct or control these actions and is responsible only for the processing it decides on and carries out itself after receiving the Video.

On a non-exclusive and worldwide basis, I freely and expressly authorise:

(a) the Team to record, store and edit my name, image, voice, physical appearance, and contribution, and to include them in the Video for entry in the Contest;
(b) the IRE to receive, copy, store, technically process, share with the jury, persons who will be involved in ranking the Finalist Videos, advisers and technical service providers, to evaluate and verify the Video, and keep evidence in case of complaints or legal defence;
(c) whether or not the Video wins, the IRE to select reasonable excerpts, clips, frames and still images in which I appear or am heard, and include them in new compilations, presentations, retrospectives, documentaries or promotional videos relating to the Contest or the audit profession; and
(d) if the Video is one of the three winning Videos, the IRE to reproduce, publish, display, broadcast, share and make available the Video, in whole or in part, for its institutional, educational, documentary and promotional purposes relating to the Contest, the IRE and the audit profession.

3. Permitted uses

For the purposes set out above, the IRE may use the authorised material on its websites, social media accounts and other digital platforms as well as in presentations, newsletters, institutional communications, and at conferences, seminars and educational or professional events, for audiences including students, educational institutions, audit professionals and the public. The IRE has the right, but is not obliged, to use the authorised material.

The IRE may make reasonable technical and editorial changes, including editing, cropping, subtitling, translating, reformatting, adding branding, and extracting or combining clips, frames and still images.

Such use must remain consistent with the purposes described above and must not knowingly present my name, image, voice, physical appearance or statements in an unlawful, materially misleading or derogatory context.

I understand that content published online may be accessible worldwide and that third parties may copy, download, archive, share or republish it outside the IRE's control. While the IRE can remove material from channels it controls and take reasonable steps with identifiable platforms or third parties, it cannot guarantee the removal of every third-party copy.

4. Duration and remuneration

I will not be entitled to any fee, royalty, or other remuneration for the uses set out in this Authorisation.

This Authorisation is granted free of charge for a period of five (5) years from the date on which the results of the Contest are officially announced. After these five years, the IRE will make no new use of the material, though posts already published during that period may remain accessible unless I ask the IRE to remove them from its channels.

The IRE may also retain restricted copies where reasonably necessary for legal, evidential, compliance or archival purposes, subject to applicable law.

5. Personal data and separate responsibilities

My name, image, voice, physical appearance, signature and the information in this Authorisation constitute personal data under Regulation (EU) 2016/679 ("**GDPR**"). The image and voice authorisation above is legally separate from the GDPR legal basis used by the IRE.

After receiving the Video, the IRE acts as an independent data controller. It processes my personal data to manage and judge the Contest, check relevant rights and authorisations, create and publish the materials described in this Authorisation, promote the Contest and the audit profession, and establish, exercise or defend legal claims. For these purposes, the IRE mainly relies on its legitimate interests under Article 6(1)(f) of the GDPR, balanced against my fundamental rights and freedoms.

I have the right to object, on grounds relating to my particular situation, to processing based on the IRE's legitimate interests. I also have the right to lodge a complaint with a data protection supervisory authority, such as the *Commission nationale pour la protection des données* (CNPD) in Luxembourg.

Further details on how the IRE processes my personal data are set out in the IRE Video Contest Privacy Notice, available at https://videocontest.ire.lu/documents/ire-video-contest-privacy-notice.pdf
